Ms. Kalpana Ramesh Also known as the Water Warrior, Kalpana Ramesh is a designer turned environmentalist. Seeing the grave situation of water scarcity in the city of Hyderabad, Kalpana started working towards spreading awareness and creating sensitivity about rainwater harvesting in the city. After 5 years of research and active work, she founded

The Rainwater Project, a social enterprise to provide complete water management solutions. Backed by scientific data, employ age old tried and trusted practices as well as new innovative methods to help you manage water scarcity on your site. Our foundation is built on the idea of conserving water and protecting its natural resources from depletion

To help individuals, communities, corporates, government bodies to achieve water sustainability by providing rainwater harvesting techniques that are specific for your site by applying the three R's to water management and make your site a zero-discharge property.
