The Institution's Innovation Cell (IIC) of Nalla Narasimha Reddy Education Society's Group of Institution, Hyderabad with the support of college management and staff had organized a motivational program for B.Tech. III Year students of ECE & Mechanical branches on 30th November, 2022 (Wednesday).

Resource Person **Mr. Seetha Mounish Patel**, *CEO, Optimum Private Limited, Hyderabad* was invited as a speaker of program titled "MY STORY- A Motivational Story by Successful Innovator" to deliver and share his life journey and professional experience. He has finished his Bachelor of Technology (B.Tech.) degree from Mechanical Engineering stream from JNTUH.

Speaker sharing his experience to audience

As a convener of Institution's Innovation Cell (IIC), Dr. G. Janaradhan Raju, *Dean, SoE* had welcomed the speaker for the program which was started at 10am, followed with brief introduction of speaker's biography by host Mrs. K.Madhavi, *Asst.Prof., ECE*. The governing members of IIC like co-convener Dr. S.Ravi Chand, *Professor & Head, Dept. of ECE*, and coordinators Dr. P.Subba Rao, *Professor, Dept. of Civil*, Mr. Prashant K Kulkarni, *Associate Professor, Dept of ECE* were part of the program.

The conference hall was jam-packed with strength of about 172 students (from B.Tech III Year ECE, CIVIL & MECH) along with 10 faculty members from various departments.

The Speaker started the talk, with his life journey focusing on the aspects of how he faced up challenges for being well educated crossing the odds and lows to the position what he is now currently. He has done many projects and innovations in the field of vibrations, mechanics and motion engineering along with smart vehicle management. He is currently working as Chief Executive Officer of a company called 'Optimum Private Limited', based in Hyderabad.

A glimpse of the program

Program Outcome:

The program had given the insights into one's ability, mental thinking, career guidance and importance of Engineers towards their life and society. The overall outcome of the program was good, as few students expressed their gratitude by asking their queries and getting them satisfactorily clarified. The management felicitated the speaker for effectively handling the session with his words of motivation. The program ended on a good note.
