

SCHOOL OF ENGINEERING

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

REPORT ON “ALUMNI RECIPROCATION”

Date : 18th November, 2023

PROGRAM PARTICULARS

Date of Event	Organized by	Venue
18 th November, 2023 (Saturday)	Department of Electronics And Communication Engineering.	Conference Hall, Ground Floor, NNRESGI.

Purpose of Program:

The Department of Electronics and Communication Engineering has conducted a unique program called as “Alumni Reciprocation” event for awareness of current working society to the nurturing engineers. This event typically aims to create a platform where alumni can come together to network, share experiences, and support each other in personal and professional endeavors.

During the interaction session of alumnus with the audience:-

- Discussed about the current trends in languages and certifications in the industry.
- About his personal learning and experience in the academics & also in the development of open source software.
- About online certifications of various courses.

Mr. B.Mukesh Reddy interacted with the students and gave motivational talk regarding preparing for higher studies and placements. Students asked many questions regarding placements and the alumnus shared his views and thoughts to them in a satisfactory way.

Dean sir, SoE addressing the gathering

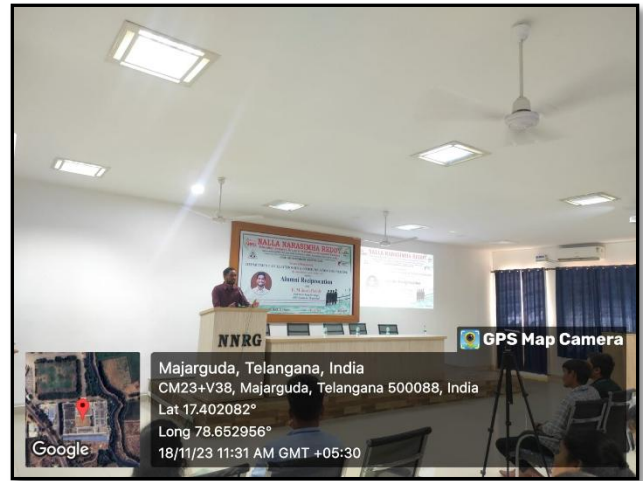

Director sir sharing his insights

Mr.E.Mahindra addressing the gathering

Mr.B.Mukesh Kumar Reddy sharing his experience

Interactive session of Mr. B. Mukesh Kumar Reddy with audience

Outcome of the Event:

The students were really motivated and interactive, as they got opportunity to interact with the alumni and motive was to encourage and inspire the upcoming engineers and to clear their doubts as well regarding the current technologies and current situation of working society. The session was overall a grand success.

EnginEEring is not the End !!!
