Academic Year: 2023-2024

Activity: Report on Industrial visit to Infosys   Date: 12-10-2023

<u>Report on Industrial Visit to Infosys</u>

As per the schedule in the Department Academic plan, III CSE students have attended an Industrial Visit to Infosys on 10-10-2023. A total of 103 students and four faculty members accompanied and facilitated the students during the visit.

The Associate Consultant of Infosys conducted very informative session for the students. She gave a brief introduction to Infosys and different departments in Infosys to the students. Also, she motivated the students to select their domain and area of interest. She also guided the students to concentrate on the latest technologies like Machine learning, IOT and develop coding skills which are essential in the current software market.

The session was concluded with Question- Answer session. Many of the students asked different questions the Associate Consultant on current demanding technologies, market scenarios and he cleared all the doubt which was in students mind about the technologies and IT sector.

Student Feedback:

The student's experience was very good at Infosys with cooperative coordinator. Most of the students expected the work flow in industry will be demonstrated and suggested such kind of domain specific industrial visits are to be arranged more for the subsequent batches. Students learned the current market scenarios, latest technologies, criteria for selection in the placements, best practices in the Infosys to carry out the project.
