REPORT ON "NATIONAL EDUCATION DAY"

National Education Day is observed every year on 11th November to commemorate the birth anniversary of Maulana Abul Kalam Azad, India's first Education Minister. This day is dedicated to highlighting the importance of education and the role it plays in shaping the future of the nation. The CSE Department of Nalla Narasimha Reddy Education Society's Group of Institutions, in collaboration with IIC and IIC, organized a event to celebrate this occasion, emphasizing innovation, knowledge-sharing, and student engagement. The primary objective of the National Education Day celebration was to promote awareness about the importance of education, encourage students to innovate, and discuss the role of technology in transforming the education sector.

The event commenced with a welcome address by Dr. G. Janardhana Raju, Dean-School of Engineering & IIC Convener, who emphasized the significance of education and innovation in the modern era. The keynote speech was delivered by Dr. K. Rameshwaraiah, Professor & Head - CSE, highlighting the contributions of Maulana Abul Kalam Azad to Indian education and the importance of digital learning in today's world.

Dr. H.M. NagaRaju, Associate Professor and IIC Coordinator in CSE , was shared valuable insights on Artificial Intelligence and the Power of Generative AI, explaining how AI is revolutionizing education and industries worldwide. The event witnessed enthusiastic participation from students, faculty, and industry professionals. More than 120 students actively took part finally; The Event successfully enhanced awareness about the importance of education, encouraged innovative thinking, and fostered industry-academia collaboration.

The discussion covered topics like AI in education, e-learning platforms, and the future of smart classrooms. Dr. Rameshwaraiah also highlighted Maulana Abul Kalam Azad's advocacy for free and compulsory primary education and how his vision continues to shape India's policies today.

The National Education Day , Event Started by Dr Rameswaraiah, Professor & HOD CSE
