

**Industry Institute Interaction (IIC) and Institution's Innovation Council (IIC)**

**Date: 22-05-2024**

**Academic Year:** 2023-2024

**Activity:** One Day “**Industrial visit**”- Infosys, Pocharam, Hyderabad

**Consolidated Report**

All the college students have attended an Industrial Visit to Infosys on 20-05-2024. A total of 150 students and four faculty members accompanied and facilitated the students during the visit.

The Associate Consultant from ETA Department of Infosys, Pocharam Ms. Simran Thakwani conducted very informative session for the students. She gave a brief introduction about Infosys and different departments in Infosys to the students also she motivated the students to select their domain and area of interest.

She also guided the students to concentrate on the latest technologies like Machine learning, IOT and develop coding skills which are essential in the current software market. She explained how LinkedIn helps the students and guided how to build their resume and what companies are expecting from the students and other employees from Technical Team have interacted with the students and explained about UI.

The student's experience was very good at Infosys with cooperative coordinator. Most of the students expected the workflow in industry will be demonstrated and suggested such kind of domain specific industrial visits are to be arranged more for the subsequent batches.

Students learned the current market scenarios, latest technologies, criteria for selection in the placements, best practices in Infosys to carry out the project.
