REPORT ON “NBA Self Assessment Report(SAR) for Undergraduate Engineering Program(Tier-II)”

Department of Electronics and communication Engineering in association with Institution’s Innovation Council (IIC) Cell has organised and conducted a one-day faculty development program on 6th March 2024 at ECE Seminar Hall NNRG from 11:00AM - 4:00 PM for ECE Department faculty.

Dr.S Ravi Chand, HoD ECE acted as resource person and explained about the National Board of Accreditation (NBA) Self-Assessment Report (SAR) for Undergraduate Engineering Program (Tier-II) and elaborated about the key points on Introduction, Program Objectives, Curriculum, Faculty Qualifications and expertise of faculty members, Infrastructure and Facilities, Student Support Services ,Student Performance, Continuous Improvement, Compliance with NBA Guidelines.

Dr.Ravichand asserted that the better the quality of education, the better will be the students' performance, and hence better companies will visit our campus for placements. The better the performance of our students, the better will be the salary packages offered. The quality of these companies, the number of students placed, and the packages offered will mirror directly how out stakeholders accept our students globally. This will directly assess the Program as well as the institute.So all faculties must know the Importance of NBA and should continuously improve the quqlity of teaching and tools used for lernaning process.

Resource person Interacting with Participants

The session concluded with demonstration of faculty commitment to maintaining high standards of quality department Undergraduate Engineering Program.

The event started with the formal inauguration by Dr. Janardhana Raju, Convenor of IIC Cell NNRG. Total 35 teaching faculties participated in the program. The event was concluded with the remarks by Dr. Janardhana Raju, Convenor of IIC Cell NNRG.

Dr.S .Ravichand
