Venue: Conference Hall, Ground Floor, NNRG      Date: 15<sup>th</sup> June 2024      Time: 10.30 A.M.

IIC organised a session on opportunities in Railways in NNRG on 15-06-2024 in conference hall ,ground floor for final and prefinal year of NNRG students. This was hoisted jointly by ECE department IIC and GBH rail services.

GBH rail services is a pioneering organization founded on 16th June 2016 by a group of highly skilled Technocrats with extensive experience in Indian Railways and international railway networks.GBH Rail Services Pvt Ltd (GBH), is a trusted partner for building comprehensive rail infrastructure solutions for both domestic and international railways. This company offers a wide range of products and services that cater to various railway needs, ensuring efficient and reliable transportation systems.

Mr. Balaji CEO of GBH rail services and Mr. Kamal Pasha (Retired section Engineer Indian Railways) explained the role of engineers in Railway sector. GBH rail services signed a MOU with NNRG to train the NNRG students for railway sector.

The company promised free training of 100 hours for NNRG students who complete graduation in 2024. After successful training company assured an employment opportunities in railways and multinational companies like Alstom, Siemens, Nippon, Alcatel and Tata elixa through their consulting mechanism. Mr. Balaji shared success story of various students working in multinational companies. The event started with the formal inauguration by Dr. Janardhana Raju, Convenor of IIC Cell NNRG. Total 95 students and 10 teaching faculties participated in the program. This program was graced by Head of ECE department Dr. S .Ravi Chand and Mr. Kamal Pasha (retired section Engineer Railways)

Dean and Convener Of IIC Dr.G. Janardan Raju concluded the session by offering a Memento to CEO Mr. Balaji of GBH rail services.
