A Report on industrial visit

“TSRTC Zonal Workshop, Boduppall”

The department of Mechanical Engineering arranged industrial visit for IIIrd year students, which is held from 03.04.2017

This workshop feeds overhauled bus spares like engine etc., to entire Hyderabad Zone bus depots ie., Hyderabad, Raga Reddy.

In this Workshop students are observed complete vehicle overhaul, body repairs and bus-body building. They observed bus body facilities at Hyderabad and are in the process of implementing the bus body code practices. In addition, they are also exploring the option of bio-diesel buses.

Students are able to understand fabrication of bus body and maintain of buses and also learn tire retarding process stages of retarding.

Gear transmission systems for various bus model type's latest power transmission double gear system in smooth transmission like INDRA Buses.

Mr. Arun S K, Mrs.T.Swetha Mr.S.Narendhar and Mr.Vincent, along with IIIrd year B-Tech Mechanical engineering students are visited the **TSRTC Zonal Workshop, Boduppall.**

The students are return to the college at 4.15 PM by our college buses.
