A Report on industrial visit “INDUSTRIAL EXPO - INDEXPO2019 VISIT”

Department of Mechanical Engineering arranged Industrial Expo visit for IIIrd year Mechanical Engineering Students, which was held on 06-09-2019 to 08-09-2019.

In this expo so many companies from national and international organizations participated and kept their products in the stalls. Mainly LASER cutting machines are kept in the showcase with the specification of 2000 W power supply and the maximum cutting thickness of up to 8mm.

INDEXPO Hyderabad is a platform for manufacturers and suppliers of Industrial & Engineering products and buyers from all over India. The main theme of this EXPO reveals the “Make in Hyderabad” Scheme. In and around Hyderabad City, Cherlapally and Jeedimetla are the main industrial areas having large number of MSME and Large Scale Industries especially Automobile Component Manufacturing industries.

Mr. P. Srinivas, Mr. N. Chandrakanth, Mr. S. Narendhar and Mr. Vincent along with IIIrd year B.Tech. Mechanical engineering students were visited the INDEXPO2019.

The students are returned to the college at 4.00 PM by our college buses.
