DEPARTMENT OF MECHANICAL ENGINEERING

Date 18.11.2022

A Report of Guest Lecture on
“CATIA modeling”

The department of Mechanical Engineering organized **Guest Lecture** on ““CATIA modeling”
On 18.11.2022

Dr. G. Janardhana Raju, Dean - SoE & HOD Mechanical Engineering welcomed the participants..

Mr. Mr Naresh Branch Manager, Santhosh nagar.,has participated in the program and presented lecture on computer aided design through PPTs and 2D drawing conversion to 3D modeling . The students are participated in this program, he explained the major parts involved in modeling and the assembly. IIIrd and IVth year students are attended, the following topics explained in the program:

- Drawing reading(projection system)
- Basic sketching tools
- solid modeling
- constraints in alignment parts
- Detail drawing practice
