Report on World Environment Day

The NSS Unit of NNRESGI has conducted World Environment Day on 5th June 2026 by organizing a rally from NNRG Campus to Venkatadri Township to create awareness on protecting our environment and its effect on sustainable development of the community. The programme was held with the objective of making the students and local public understand the importance of environmental protection through planting trees, using public transport, disposing the waste in proper manner, not to be part in any action that pollutes the environment. The NSS volunteers and students moved together as a rally by raising slogans such as “Our Land Our Future”, “No Plastic Go Organic”, “Each One Plant One”.

The director, deans of various schools, heads of the departments, teaching and non-teaching faculty, NSS volunteers and students actively participated in the programme as a social initiative to make our living place more sustainable and environment friendly. Around two hundred members including 170 students and 23 faculty associates have attended the programme. The Director, Vice-chairman, Deans and HoDs motivated the students to engage in social development activities and also emphasized the role to be played by each of us in protecting our environment.
