A report on "Revit Architecture in Civil Engineering Structures"

The department of civil Engineering organized a five day certificate program / workshop on "Revit Architecture in Civil Engineering Structures" for 4th year students from 1st to 5th of November 2018. Trainer Mr P Sai Charan, Canter CADD Pvt Ltd, Habsiguda, Hyderabad started the session by giving introduction about the importance of Rivet architecture applications by comparing with Auto CAD software.

The trainer explained the principles of developing the plans, section, elevation of residential building both in 2-D and 3-D. Further he explained on how to do rendering for 2-D, 3-D plans and also how to convert rivet architecture plan into Auto CAD. The training session was continued for five days from 1st Nov 2018 onwards. All the final year students learned the procedures to draw the plans, sections, elevations etc by the end of 5th Nov 2018. A test was conducted at the end of the training session for all the students by using Revit architecture software.

Valedictory function was held on 5th Nov 2018 afternoon under the Chairmanship of Dr. C.V. Krishna Reddy, Director of NNRESGI and Sri Nakka Swarup, Vice president, Canter CADD India Pvt. Ltd., acted as chief guest. Dr. G.Subba Rao, HoD Civil Engineering. Department summarized the certificate program / workshop. The chief guest Sri Nakka Swarup, addressed all the students about the Revit software related to civil engineering and its importance in practical field. Dr. C.V. Krishna Reddy, Director of NNRESGI congratulated the Dept. of Civil Engineering in organizing a program / technical workshop. He also enlightened the final year students about the placement drives conducted so far in our college.

At the end, HoD thanked the Guest for addressing the gathering at our campus and sharing his valuable thoughts. At last, Vote of thanks was given by IV Year Civil Engineering Student Md. Aadil Nawaz.

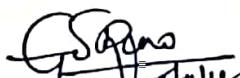

Recommendations: Students expressed their views in the form of feedback, which includes the following:

- Expressed their happiness in the program
- Students have requested to reorganize similar programs / workshops

Action taken:

After discussion with the students, the HoD-CE accepted to organize an additional program in the forthcoming semester.

A letter is to be forwarded to the Director, NNRESGI for further approval in this regard.
