**A Report On**

**A 5 day workshop on "Structural engineering concepts & Analysis software"**

The department of civil Engineering arranged a 5 day workshop on "Structural engineering concepts & Analysis software" from 26-09-2014 to 30-09-2014.

Dr. G. Subba Rao HOD welcomed the guests. Inaugural function was held in the morning under the chairmanship of Dr. CV Krishna Reddy Director NNRG. The programme commenced with prayer.

Mrs. A.Vimala, Research Scholar at IIIT – Hyderabad & Mr.Md. Waseem Ahmed, Managing Director, Design Trades. Participated in the professional development program and presented lecture through PPTs and by using a software of STAAD Pro.

The Guest started his lecture by introducing about his Institute. He interacted with the faculty by asking few questions about the future potential with their aim of Civil Engineers role for acquiring knowledge by usage of different Software's for Designing & Analyzing the loads on the main structure.He also explained application of various software's like Auto cad, Rivet, 3DS MAXX, Etabs, Prime Vera, Microsoft Project in present construction technology.

The five days of workshop gone well with the cooperation of students and faculty members.

Finally he gave conclusion that to learn the above software's for better carrier in civil engineering.

At the end, HoD thanked the Guest for addressing the gathering at our campus and sharing his valuable thoughts in the valedictory. Vote of thanks was given to the Guest by HOD, Civil Engineering Department.
