**Program Particulars:**

<b>Date Organized</b>	<b>Title of Program</b>	<b>Resource Person</b>	<b>Participants</b>
21 <sup>st</sup> January 2026 (Wednesday)	Awareness Session on Internships & Placement Opportunities for B.Tech ECE III year	Mr. Anil Turlapathi, General Manager, Operations & Marketing, GyanNidhi Innovations Pvt., Ltd. Hyderabad	B.Tech- ECE- III year students (90)

**Overview of Program:**

The Industry Institute Interaction Cell (IIIC) of NNRG, Hyderabad, had organized an Awareness Session for the B.Tech ECE III year students on “Internship and Placement Opportunities” on 21st January 2026 (Wednesday) at the Conference Hall, NNRG, Hyderabad. The session was delivered by Mr. Anil Turlapathi, General Manager – HR Operations & Marketing department at the GyanNidhi Innovations Pvt., Ltd, Hyderabad, a premier organization providing industry-relevant skills, certifications, internships, and placement support to the graduating students.

*Mr. Anil sir explaining the students on opportunities offered by GyanNidhi*

## **Purpose of Program:**

The session was planned with an aim to motivate students towards early career planning, internships, and skill development. It focused on bridging the gap between academic learning and industry expectations and creating awareness about funded training and placement opportunities.

*Glimpse of Mentoring the Students*

## **Program Highlights:**

Mr. Anil Turlapathi is an experienced HR professional with expertise in talent acquisition, training frameworks, and industry–academia collaboration. His insights helped students understand real-world recruitment practices and employability skills.

The speaker emphasized the importance of internships, certifications, resume building, interview preparation, and continuous upskilling. Real-world examples and industry case studies were shared. Students were introduced to GyanNidhi Innovations’ funded industry-level training programs.

## **Outcome of the Program:**

A total of 90 students completed on-the-spot registrations for GyanNidhi Innovations’ funded industry-level training courses free of cost. Students gained clarity on career pathways, industry requirements, and placement readiness.

The session was highly impactful and aligned with NNRG’s vision of producing industry-ready graduates. Such programs strengthen industry–institute interaction and enhance student employability.
