

REPORT on

“Interaction of Women Cell Members :Induction Program for IB.Tech&B.Pharmacy Student ”

Women cell members interacted with IB.Tech Girl students at 2pm on 6 Sept. 2023 in the Auditorium (IIIrd floor). Around 280 students & Female faculty of NNRESGI attended the Program with great enthusiasm

Dr.Rashmi Trivedi, Prof of Chemistry and Convener of Women Cell addressed the students and told that the Cell is constituted to help maintain a harmonious atmosphere in the Institute, to enable women to pursue their work with assurance. The cell has been working to raise awareness on gender equality issues. Women's Cell's function is to prevent gender discrimination and inappropriate sexual conduct. This is best achieved through promoting sensitivity and justice amongst all NNRG employees & Students. She also spoke about the various programmes conducted by the cell every year. Dr.Rashmi advised the girl students to maintain proper dress code and also to make them mentally and physically strong.

Ms. Madhavi, Assoc. Prof., ECE, spoke about the importance of research in an engineer's life.

A Quiz session related to women and health was conducted by Ms.Ch.Swathi.Asst. Prof., EEE

Ms.N. Swapna Asst. Prof., Pharmacy, Ms. Vineetha Asst. Prof.,
