

FINANCE COMMITTEE

Objectives:

- ❖ Develop and review the organization's annual budget.
- ❖ Develop long-term financial plans and strategies to support the organization's mission and objectives.
- ❖ Develop and review financial policies.

Roles and Responsibilities:

1. Collaborate with management to develop the organization's annual budget, ensuring alignment with strategic goals and priorities.
2. Assist in the development of long-term financial plans and strategies to support the organization's mission and objectives.
3. Provide oversight of financial operations, including monitoring financial performance, reviewing financial reports, and ensuring compliance with financial policies and procedures.
4. Explore opportunities to diversify revenue streams, enhance fundraising efforts, and maximize revenue generation to support the organization's financial sustainability.
5. Review financial reports and statements to ensure accuracy, transparency, and compliance with accounting standards and regulatory requirements.
6. Develop and review financial policies and procedures to ensure sound financial management, compliance, and accountability.

Frequency of Meeting: Finance Committee meets twice in year.
